🎓 Qualified Tutor | Sorbonne University | MSc in Applied Physics

I hold an MSc in Applied Physics from Sorbonne University and a BSc in Physics from École Polytechnique. With 6 years of tutoring experience, I specialise in IGCSE and GCSE Physics, as well as IB and A-Level curricula. I've supported students globally, helping them achieve top results in their exams and deepen their understanding of complex physical concepts.

Teaches: IGCSE Physics GCSE Physics IB Physics A-Level Physics

Curriculum: IGCSE GCSE IB A-Level

Qualifications

Sorbonne University: MSc in Applied Physics (2016–2018)

École Polytechnique: BSc in Physics (2012–2016)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past six years, I have tutored students across Europe and Asia in physics topics such as mechanics, electricity, and astrophysics. My expertise includes preparing students for IGCSE and A-Level exams, as well as guiding IB Physics learners through challenging HL and SL content. I've helped students build strong conceptual foundations and excel in competitive academic environments.
