🎓 Experienced Tutor | University of Toronto | MSc in Physics

I bring 19 years of tutoring experience in IGCSE, IB, and A-Level Physics, supported by an MSc in Physics from the University of Toronto and a BSc in Applied Physics from McGill University. My students consistently excel in coursework and competitive exams globally.

Teaches: IGCSE Physics GCSE Physics IB Physics A-Level Physics AP Physics

Curriculum: IGCSE GCSE IB A-Level AP

## Qualifications

**University of Toronto:** MSc in Physics (2000–2002)

**McGill University:** BSc in Applied Physics (1996–2000)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the past 19 years, I have worked with students from various educational backgrounds, focusing on preparing them for IGCSE, IB, and A-Level Physics. My expertise lies in simplifying complex topics such as electromagnetism, thermodynamics, and quantum mechanics, ensuring my students build a strong understanding of the subject.

For the last decade, I've successfully mentored students applying to top universities in Canada, assisting them with exam preparation and admissions tests. I've also taught AP Physics, equipping students with the skills to excel in advanced placement courses and secure college credits.

Throughout my career, I've had the privilege of tutoring students from Canada, Europe, and Asia, tailoring lessons to meet diverse academic requirements. I strive to instill confidence and a deep interest in physics, helping students achieve their goals and unlock future academic opportunities.
