Tutoring Experience

For 16 years, I've worked extensively with students preparing for IGCSE, IB, and A-Level English exams. My experience includes guiding learners through comprehensive analyses of literary texts and assisting them in developing strong written and verbal communication skills.

While tutoring, I've collaborated with international schools and academic institutions across Italy and Europe, focusing on preparing students for rigorous exams and university admissions. Many of my students have gone on to pursue degrees at prestigious institutions globally.

Beyond one-on-one tutoring, I've also led workshops on academic writing and essay skills. These workshops equipped students with tools for structuring arguments and presenting ideas clearly, making them confident writers and critical thinkers.
